01 Style lines

Append the matching line to every prompt so all images stay one family. Updated to the final brand colours.

Photography

```
Ultra-realistic editorial photograph, full-frame camera, 85mm lens at f/2, soft natural window light with a warm cinematic grade, colour palette of royal aubergine purple (#510449) and heritage gold (#C4932D) in the décor, clothing accents and light, modern premium UAE setting, one clear focal point, clean uncluttered composition, generous negative space on one side for text, no text, no logos, no watermarks, photorealistic skin and fabric detail.
```

3D clay icons

```
A single glossy 3D clay-style icon on a pure white background, soft studio drop shadow, rounded friendly shapes, royal aubergine purple (#510449) body with heritage gold (#C4932D) details, clean isometric perspective, 3D render, no text, no letters.
```

Portraits

```
Professional corporate headshot of a fictional person, soft studio portrait lighting, smooth aubergine (#510449) to gold (#C4932D) gradient backdrop, friendly confident trustworthy expression, shoulders up, centred, 85mm f/2, photorealistic skin and fabric texture, no text, no logos.
```

Note

The images already generated used the earlier palette (#4B3369 / #B6965D). They sit close to the final brand; regenerate only if a side-by-side looks off.
